**Sherry Lee Crews**  
**Founder of Miss Celebrations USA**

Hello Everyone! Welcome to the Miss Celebrations USA National Pageant. I, along with Associate National Directors Rebecca Crews, Lori Chitty, Dr. Laura S Hererra, Carrie Burchett, have decided to embark on a new adventure. I am proud and excited to be the National Director of this innovative pageant program. We're all about "Beauty by Action" and our Queens "having fun!", making new friends", and "growing in poise, self-esteem, and confidence!" My son Dwight (Trae) Crews III C.E.O. plans to make pageant history. Most of you know me well enough to understand that I love working with the Queens, making plans for competitions, parties and organizing the "exciting things" (like purchasing prizes and new crowns and sashes!) Together we will grow as a family and together we will grow as people. We truly love you all and all the hard work you have done and will continue to do for others. We here at MCUSA love each and every one of you. So lets "Return to Rockin Rydell" and start the fun!!!

**Rebecca and Dwight (Trae) Crews  
National Office**

Rebecca Crews was raised in the mountains of Tennessee in a small town called Elizabethton. She now resides in Geneva, Alabama where she is a nurse at Geneva Medical Center. She was in numerous pageants in her youth at Bethlehem High School where she played softball and basketball. Rebecca has always had a soft spot for those in need, part of the reason she became a medical professional. This is a huge reason why she decided to join Miss Celebrations USA to give back to her community and actively make a difference. Beauty by Action! She and her husband Trae Crews spend their time outdoors fishing, hiking and tending to their cattle.

**Laura Hererra**  
**Associate National Director**

Laura is a lifelong Hoosier and resides in Cicero, Indiana. She and her husband, Ponce, enjoy being empty-nesters and living on the lake. Laura's interest in pageants began as a way to instill the importance of community service in her daughters. Through "Beauty By Action", the girls were able to use their pageant titles to raise awareness, help causes, and raise money and food for non-profit organizations.

Laura leads by example. Laura grew up on the lake and her passion for water sports led her to a volunteer service opportunity. She and her family participate in an adaptive water-ski two day clinic each June at Morse Reservoir, where she lives. This adaptive clinic sponsored by the Rehabilitation Hospital of Indiana and the Indiana Water Ski Association allows individuals with disabilities to enjoy a water sport in a new way. Laura believes that if she leads the way by participating in community service projects, the young ladies she meets will be inspired to do the same.

**Lori Chitty**  
**Associate National Director**

Lori and her husband "Mr. Steve" live in Jacksonville, FL. They are the proud parents of five grown children, 10 grandchildren, and one great grandson. Both work full time jobs and direct pageants for the love of the program.

For the past 10 years, Lori has been a director for national pageant systems in the states of Florida and Georgia. Before that she was a pageant mom, cheer mom/coach, and girl scout leader. She believes in giving back to the community and mentoring young women when possible.

In her spare time, she loves spending time with her family traveling or camping in their fifth wheel. If you ever need a helping hand, reach out to Mrs. Lori and Mr. Steve and they will be there.

**Good Luck, Kinley Anne!**  
**We love you!**  
**Mommy, Daddy, Brayden**  
**MawMaw, PopPop**

**Carrie Burchett**  
**Associate State Director**

Carrie grew up in the Northwest, in a small town in Oregon. She moved to Mississippi in her early 2002. She now lives in Diamondhead, MS with her Husband Tim and daughter Brianna. Carrie studied dance growing up and started as a dance instructor in 2003. She got involved in pageants when Brianna decided she wanted to a pageant at the age of 10. They started competing with Sherry in 2014 and over the years they became family. Even after Brianna stopped competing in pageants Carrie, Tim, and Brianna still did all they could to help support Miss Celebrations USA. Now that Brianna is in college Carrie has decided to join her pageant family as a director. She hopes to become a mentor to young ladies and help teach them the meaning of "Beauty by Action."
